PROFILE

Paid media practitioner with 3 years across agency, in-house and independent work. At Aegon I ran Google Ads, Meta and LinkedIn for **50 U.S. and Canadian business units** inside a **seven-figure annual program**, judged on CRM outcomes such as qualified leads, completed applications and funded accounts, not clicks. I build the **tracking, pacing and QA systems** that keep accounts clean, and I want to keep growing on an agency or in-house team. Authorized to work in Canada.

EXPERIENCE

Digital Marketing Strategist — Aegon

JAN 2025 – OCT 2026 · LANGLEY, BC

Life insurance, pensions and wealth products across U.S. and Canadian business units. Results are relative; absolute figures are confidential.

- Launched and managed **20+ financial-product campaigns** on Google Ads, Meta and LinkedIn for **50 business units**, including LinkedIn account-based marketing for high-net-worth investors; supported the team on 100 more.
- Moved Smart Bidding and Meta optimization from form fills to **HubSpot offline conversions** (qualified leads, booked calls, completed applications), then rebuilt targeting, lead forms and landing pages: **cost per lead −13%** and **completed applications +18%** at flat spend (H1 2026).
- Rebuilt tracking on GA4, server-side Google Tag Manager, Enhanced Conversions and Meta Conversions API with hashed customer data: **Event Match Quality 6.5 → 8.0**, double-counted conversions removed.
- Built a **Google Apps Script campaign builder** for naming, UTM and compliance QA, adopted by a **45-person marketing team**, and automated routine checks with Google Ads Scripts: **compliance review time −60%**, about 12 working days a year back.
- Enforced **Quebec and U.S. state-level rules** for financial-product advertising on every campaign before launch across all 50 business units.
- Built budget pacing dashboards that eliminated **five-figure monthly wasted spend**; reported weekly to senior management and biweekly to the CMO.
- Coordinated with **3 internal teams** (web for landing pages and SEO, finance for budget reconciliation, sales for advisor bookings) and co-oversaw **2 external vendors** with the Director.
